IndianOil CREDA Biofuels Limited supplies Jatropha oil to CPCL

IndianOil's joint venture company with Chhattisgarh Renewable Energy Development Authority (CREDA) , IndianOil CREDA Biofuels Limited (ICBL), has initiated supply of 2.0 lakh litres of demetalled, degummed Jatropha curcas oil from the seeds of Jatropha (Ratanjot) to Chennai Petrochemicals Limited (CPCL), Chennai for its pilot studies on co-processing of vegetable oils for green diesel.

The technology know-how for producing demetalled, degummed Jatropha curcas oil has been provided by IndianOil's R&D Centre, Faridabad. The first tanker carrying 21000 litres of demetalled, degummed Jatropha curcas oil was flagged off at the Refinery site by Mr. S.K. Shukla, Director, CREDA, Mr. S.K. Chanda, CEO, ICBL and Mr. Sumit Sarkar, Head (Business Operations), along with Regional Managers from ICBL who were also present on the occasion.
